COLLECTIVE BARGAINING AGREEMENT
TEAMSTERS' UNION LOCAL 856 PROBATION
COUNTY OF MARIN

The salaries, hours, and working conditions set forth in this Agreement have been mutually agreed upon by designated bargaining representatives of the County of Marin (hereinafter called "County") and the Teamsters Union Local 856 Probation Unit (hereinafter called "Union") and shall apply to all employees of the County working in the classifications set forth hereunder with the exception that benefits shall apply to regular County employees only unless the Agreement language specifically mentions contingent-hire employees.

The County and Union agree that the benefits specifically stated in the basic Agreement or applicable Agreement addendum fully and completely provide the benefit program specifically negotiated and agreed to by the parties. Other or related benefits not specifically provided in this Agreement language may not be inferred by either party.

The terms and conditions set forth in this Agreement have been negotiated in good faith and have been ratified by the membership of the Union and by the Board of Supervisors of the County of Marin.

Section I. Recognition

- A. County hereby recognizes Union as the bargaining representative for the purpose of establishing salaries, hours, fringe benefits, and working conditions for those employees in the representation unit certified by the County Personnel Commission and consisting of the following job classifications in the County's Probation Department:

Deputy Probation Officer I, II, Senior
Deputy Probation Officer I, II, Senior – Bilingual
Juvenile Corrections Officer I, II, III
Juvenile Corrections Officer I, II, III – Bilingual

- B. Union recognizes its obligation to cooperate with County to assure maximum service of the highest quality and efficiency to the citizens of Marin County consistent with its obligations to the employees it represents.
- C. County and Union affirm the principle that harmonious labor/management relations are promoted and furthered when there is the broadest possible Union membership of employees in the representation unit. When a person is hired in any of the covered job classifications, County shall notify such person that the Union is the recognized bargaining representative for a majority of the employees in said unit.
- D. The County shall provide the Union written notice of county-wide new employee orientations, whether in-person or online, at least ten (10) business days prior to the orientation. The notice shall include time, date, and location of the orientation. Representative of the Union shall be permitted to meet with the new employees for up to

thirty (30) minutes during a portion of the orientation for which attendance is mandatory. No representative of the bargaining unit's management shall be present during the Union's presentation. The Union shall provide to the County at least (5) business days prior to the orientation any materials it would like the County to distribute to new employees at the orientation, and the County will distribute such materials. If Union staff are unavailable to attend the orientation, the County shall grant release time for one (1) union steward to attend the orientation pursuant to Section III. A.

- E. Notification: On a monthly basis, the County shall provide the Union with an electronic copy of each regular personnel listing which contains the names of all employees in the bargaining unit, job title, department, work location, work, home, and personal cellular telephone numbers, personal email addresses on file with the employer, home address, dates of employment, rates of pay, and terminations. This personnel listing shall be sent to the Teamsters 856 Membership Coordinator via email.

Section II. Existing Laws, Regulations and Policies

This Agreement is subject to all existing laws of the State of California and ordinances, policies, and regulations of the County of Marin. The Union and the employees affected thereby, unless otherwise specified herein, shall be entitled to all benefits conferred thereby and shall observe all obligations engendered thereby.

Section III. Administration

- A. The Union may, by written notice to the Director of Human Resources, designate up to four (4) of its members within the representation unit as shop stewards. Allocation of shop stewards shall be at least one (1) each from the following functional units: Juvenile Hall, Adult Services, and Juvenile Services. Total employee time spent on Union business during each workweek shall not exceed fifteen (15) hours, and no individual employee shall spend more than four (4) hours per workweek of County time on Union business. Within the limits of Section V, the stewards shall secure permission from their supervisors before leaving their work assignments and shall not interrupt departmental business to discharge their duties. All release time shall be recorded on the steward's time sheets using the appropriate payroll code.
- B. Union activity shall be defined as participating in resolution of Agreement disputes during the life of the agreement and the adjustment of grievances of employees in the bargaining unit, subject to the limitations set forth in this Agreement. These permitted activities performed during the normal employee-duty time of such designated employee representatives shall fall within one of the following categories:
 - 1. Discuss with an employee a grievance or complaint;
 - 2. Make inquiries in order to obtain relevant information related to a grievance, including discussions with supervisors, other employees or other management officials, provided that such inquiry will not include the right, while on County time, to question visitors or nonemployees of the County
 - 3. Assist employees in preparation for, or represent employees in, or attend the appeal and review steps of the grievance procedure or in arbitration;

4. Attend meetings with supervisors or other management officials with respect to grievance adjustments, consultation or general discussion directly related to wages, hours or working conditions, and matters mutually agreed upon; and
5. Prepare for meetings mutually agreed upon by the County and the Union to be scheduled for conferral or other purposes.

When any employee representative is conducting business as defined above, the representative will request the permission of his/her immediate supervisor in reasonable advance of any meeting, advising the supervisor of his/her destination and when he/she expects to return. Such request will be granted by the supervisor unless work processes require the presence of the employee at that time. Upon returning to his/her duty station, the employee representative will notify his/her supervisor. Upon arriving at the work place of an employee to be represented, the employee representative will normally be permitted to contact the employee. The represented employee also shall be required to request permission for time off in reasonable advance of any meeting. To the maximum extent possible, interviews between representatives and the employees will be held away from other employees and away from the public. If the employee representative is not permitted to contact the employee at the immediate time of arrival at the work place, the supervisor or designee, upon request, will advise the employee representative the reason why he/she cannot do so and the time when the employee will be available.

All Union activities shall be conducted in such a manner as not to disrupt the work activities of the employees involved.

- C. A joint committee will be established to reorganize Agreement articles (to make the Agreement more "user friendly").
- D. Use of Bulletin Boards. Authorized representatives of Union shall be allowed to post Union notices on designated bulletin boards maintained on County premises.

Section IV. Salaries

- A. General Salary Adjustments.

Year 1: Effective the first full pay period in July 2022, or in the first full pay period following ratification and approval, whichever is later, the rate of pay for all classes and employees shall be increased by three and one-half percent (3.5%).

Year 2: Effective the first pay period in July 2023, the rate of pay for all classes and employees shall be increased by three percent (3.0%).

Year 3: Effective the first pay period in July 2024, the rate of pay for all classes and employees shall be increased by three percent (3.0%).

Equity

Effective the first full pay period in July 2022, or in the first full period following adoption of the Agreement, whichever is later, the rate of pay for the following job classes will be increased as follows:

DPOI/DPOI-Bilingual	9.4%
DPOII/DPOII-Bilingual	0.25%
Senior DPO/Senior DPO-Bilingual	5.0%
JCOI/JCOI-Bilingual	7.9%
JCOIII/JCOIII-Bilingual	0.50%

Retention Bonus: In recognition of years of service to the County, all regular hire employees on the books upon ratification of this Agreement, will receive a one-time, non-pensionable, \$1,000 retention bonus within 3 pay periods from the date of ratification or the first full pay period following approval by the Board of Supervisors, whichever is later. All regular hire employees, who are on the books on July 1, 2023, will receive a one-time, \$1,000 bonus in the first paycheck in August 2023 in recognition of years of service to the County. Part time employees shall receive a prorated amount based on their FTE.

Hard to Fill Bonus: When a position is deemed “hard to fill”, as determined by Human Resources, after notification to the Union, new employees hired after July 1, 2022, shall be eligible for up to a \$2500-\$10000 signing bonus. “Hard to fill” generally means an approved open recruitment has been unfilled for six (6) months, or the approved recruitment needed to re-open more than once because the County was unable to hire a candidate for the opening, or the County can show a difficulty retaining employees in the classification, or other similar agencies are offering a signing bonus for the classification. The signing bonus shall be split, and the new employee shall receive 50% of the signing bonus in the first paycheck and 50% of the bonus after successful completion of the probationary period. In any case, if the employee does not complete the first full year of employment, the employee shall reimburse the County for the signing bonus received.

B. Part-Time Employees.

1. An employee changing from full-time to part-time status with less than a ninety- (90) day break in service shall be compensated at the pay level at which the employee left full-time service.
2. Merit increases and fringe-benefit eligibility for part-time employees shall be based on actual hours worked (2,080 hours equal one year).

C. Contingent-Hire Employees.

1. Contingent-hire employees may be advanced one (1) step in the five- (5) step salary range after completion of two thousand eighty (2,080), four thousand one hundred sixty (4,160), six thousand two hundred forty (6,240), and eight thousand three hundred twenty (8,320) hours of paid service, provided that the recommendations for increases are made in conformance with the provisions of sections IV(D)1 and IV(D)2. The periodic increase date for an employee who has a change in status from contingent hire to regular hire or regular hire to contingent hire shall be based on total paid service. The periodic increase date will be the first (1st) day of the month following twelve (12) full months (2,080 hours) of paid service and following each year (2,080 hours) of paid service thereafter.

D. Step Increases.

1. Employees shall be eligible to receive a step increase within their salary range effective the first (1st) day of the pay period following completion of the specified time intervals if said step increase is supported by a performance evaluation and all other requirements are met.
2. Employees are eligible to receive yearly (2,080 hours) salary step increases based upon "meets standards."
3. Performance evaluations for regular and contingent-hire employees must accompany the payroll personnel action form (101) when any salary step increase is recommended.
4. 4, An employee who does not receive a step increase on said employee's yearly anniversary date shall be eligible after six (6) months to be reconsidered for the step increase. If granted, the effective date of said step increase shall be the new anniversary date.

E. Maximum Salary upon Promotion.

An employee who is promoted to a classification having a greater maximum salary than the employee's former position shall receive the minimum salary for the higher classification or one (1) step, approximately five percent (5%), above the employee's former salary, whichever is greater, provided the salary is within the salary range for the higher classification.

Employees in the Bilingual DPO II classification who are promoted to a monolingual position in the Senior DPO classification and are eligible to receive a bilingual differential in the new classification, shall receive a minimum of a five percent (5%) increase, inclusive of the bilingual differential in the Senior DPO class, above the employee's base salary in the Bilingual DPO II classification. After the promotion, the employee will be Y-rated until the classification pay rate catches up to the employee's salary.

F. Overtime.

1. Overtime shall be defined as time actually worked:
 - a. Beyond forty (40) hours in a workweek (except for 9/80 or other agreed-upon, established work schedules);
 - b. On holidays other than Saturday or Sunday.
 - c. For the purpose of calculating overtime eligibility, legal holidays shall be considered time worked. In addition, employees who work alternative work schedules and use paid time off (e.g., vacation, floating holiday, holiday in-lieu, compensatory time) to supplement legal holidays shall have such paid time off hours considered time worked.
2. Eligible employees shall be paid for all overtime worked at one and one-half (1-1/2) times the regular rate of pay or "compensatory time" at the one and one-half (1-1/2)

time rate, subject to the following limitations, conditions, and authorizations. Overtime eligibility is determined in accordance with the provisions of the Fair Labor Standards Act, except where provisions of this MOU are more beneficial to the employee(s).

Overtime and compensatory time shall be compensated to the nearest 6 minute increment.

Prior authorization of the County Administrator must be secured by the department head or designee and communicated by the department head or designee to the employee.

Overtime payment shall be based on the time records maintained in the manner prescribed by the County and shall be open to review by the Union.

No employee shall accumulate more than forty (40) hours of compensatory time without specific approval of the Board of Supervisors.

3. Flextime/Alternative Work Schedules for Deputy Probation Officers.

- a. Flextime shall be defined as flexibility in designating a set work schedule and/or flexibility on a daily basis, as approved by the supervisor.
- b. Alternative work schedules shall be defined as a fixed schedule other than a regular eight- (8) hour day with five (5) days of work and two (2) days off.
- c. Employees may request, and the department head or designee may approve, (i) alternative work schedules and/or (ii) flextime. Alternative work schedules will not be unreasonably denied. If denied, the employee may request a reason in writing.

G. Shift Differential.

For all hours worked between 6:00 p.m. and 6:00 a.m., when four (4) or more hours of the regularly assigned shift fall between 6:00 p.m. and 6:00 a.m., Juvenile Corrections Officers (including contingent-hire Juvenile Corrections Officers) will receive a five-percent (5%) shift differential based upon the employee's assigned step of the salary range. Shift differential shall be added to, but not be included in, the base rate of pay. Shift differential will not be paid to employees on vacation or other leave status.

For all hours assigned and worked between 7:00 p.m. and 6:30 a.m., Deputy Probation Officers shall receive a five-percent (5%) shift differential based upon the employee's assigned step of the salary range. Shift differential shall be added to, but not be included in, the base rate of pay. Shift differential will not be paid to employees on vacation or other leave status.

H. Standby

1. Employees assigned to standby status by written order of the department head or designee, shall be paid one and a half (1.5) hours compensation at the employee's hourly salary for every eight (8) hour period or fraction thereof, that they are assigned to standby status and not called back to work. Standby status shall be defined as any

status which requires the employee to restrict their activities and/or location in some way such as remaining within so many miles, not drinking alcoholic beverages, staying by a phone, calling in periodically etc. When this response requires that an employee physically return to work, the employee will stop receiving standby pay and begin receiving call back pay pursuant to subsection "I" below. No employee shall be compensated for standby duty and call back work simultaneously.

I. Call Back

1. **Call back for Deputy Probation Officers:** A Deputy Probation Officer that has departed from a work location and is called back to a physical work location, shall receive a minimum of four (4) hours at their applicable rate of pay, unless the work immediately precedes their regular shift. The call-back rate of pay for non-exempt classifications, shall be time and a half of the regular rate of pay, if the employee is otherwise eligible to receive overtime based on a 37.5 or 40 hour workweek (as specified in Section IV.(F)1(a)). Time spent by the employee on the phone responding to questions or issues in the workplace will be compensated for at the applicable rate of pay, but such time is not considered call back and is not subject to the minimums provided above. The employee's workday shall not be adjusted solely to avoid the payment of this minimum.

2. **Call Back for Juvenile Corrections Officers:** If a Juvenile Corrections Officer has departed from the work location and is called back to work a shift that was not preassigned, the Juvenile Correction Officer shall receive overtime compensation for each hour worked.

J. Training Differential.

Deputy Probation Officers or Juvenile Corrections Officers designated by the Hiring Authority to provide training within the Probation department shall receive a five percent (5%) pay differential for each whole hour the employee provides training within the department. The designation of employees as a trainer is not grievable.

K. Temporary Promotion

In cases of prolonged absence from duty, vacancy of an approved position, or other emergencies, the appointing authority (e.g., the hiring manager with approval from the Department Head) with the consent of the Director of Human Resources or designee may, in writing, temporarily promote a regular employee when such employee is regularly required to substantially perform the full duties of a budgeted position within a higher classification for a period in excess of ten (10) days. Departments need to submit request(s) for temporary promotions to the Department of Human Resources prior to an employee assuming any new duties of the higher classification. If it is determined that the employee was eligible for a temporary promotion AND the department had the employee begin to perform the higher-level duties AND the department failed to timely submit the request to Human Resources, that failure alone is grievable.

The process shall include notification to employees of the temporary promotion opportunity for at least five (5) calendar days, and if a meeting by the hiring authority and/or designee is required, then there shall be no more than one meeting per interested employee.

In such cases, the employee shall be paid for all hours in paid status at the rate on the salary range of the higher classification that is closest to, but not less than five percent (5%) above their base hourly rate in the classification in which they hold regular status at the time they are temporarily promoted. All increases shall be rounded to the nearest whole percentage using regular rounding rules, provided that in no event shall an employee in a temporary promotion receive less than 5% above their present base salary nor more than the top step of the higher classification into which the employee is temporarily promoted. (For example, if Step 3 of the class into which the employee is temporarily promoted is 4.6% above the current base hourly rate, the employee will be placed on Step 4 of the scale and then the rounding will occur). If the full-time status of the classification into which the employee temporarily promotes is different from the classification in which he/she holds regular status (e.g., an employee in a classification that is 37.5 hours full time per week temporarily promotes to a classification that is 40 hours per week full time, or vice versa), the employee will continue to work the scheduled hours of his/her regular hire classification. An employee's eligibility for overtime and leave accrual shall be pursuant to his/her regular classification.

An employee must meet the minimum qualifications for the job class to which they are being temporarily promoted and must have completed the first six (6) months of their initial probationary period with the County. The appointing authority will consider all interested and eligible employees. The selection decision rests with the appointing authority. The request for temporary promotion must be submitted to Human Resources by the appointing authority in writing and should include the justification for the temporary promotion along with the required documentation. Approval of temporary promotions shall not be unreasonably denied. Temporary promotions shall not exceed one (1) year. Beyond the first year of a temporary promotion, an extension of an additional six months may be granted. Any additional extensions beyond 18 months may only be granted after consultation with Teamsters-Probation representatives. Management will be required to provide a justification for the extension. An example of an appropriate justification could be an accommodation related to injury or illness. The granting and/or discontinuance of a temporary promotion shall not be subject to the grievance procedure. Otherwise, PMR 41.3 shall govern temporary promotion.

Pay will be effective as of the start date of the assignment.

Emergency Management Assignments Subsection:

The parties agree to meet and confer by January 1, 2023, in order to determine a process to evaluate DSW assignments and backfilling regular positions during times of declared disasters and/or emergencies in order to utilize the Temporary Promotion language to the fullest extent possible.

L. Temporary Special Assignment Pay

Temporary special assignment (TSAP) is defined as a practice where, as directed by an appointing authority, at least 25% of an employee's work time requires the performance of higher-level duties outside of their regularly assigned classification that significantly changes the nature of their work. It is not the intent of the County to use Temporary Special Assignment Pay in place of Temporary Promotion.

Temporary special assignments must be a minimum of ten (10) working days and shall not exceed six (6) calendar months. In the event of unusual circumstances, a department

head may request extensions in up to six (6) month increments from the Director of Human Resources after consultation with Teamsters Probation. Temporary special assignments will be effective no earlier than the start of the pay period in which the application was received.

An employee shall be paid an additional five percent (5%) of his or her present salary on hours worked. Temporary special assignment pay shall not be provided in addition to temporary promotion pay.

The request for temporary special assignment pay may only be initiated by the appointing authority by submitting the request for temporary special assignment pay to Human Resources in writing. The request should include a description of the additional duties assigned that are not represented in the employee's regularly assigned classification and the expected duration of the assignment. Any conflicts concerning the application of this policy shall be decided by the County Administrator, whose decision shall be final. The granting and/or discontinuance of temporary special assignment pay shall not be subject to the grievance procedure.

Emergency Management Assignments Subsection:

The parties agree to meet and confer by January 1, 2023, in order to determine a process to evaluate DSW assignments that should be filled by TSAP assignments during times of declared disasters and/or emergencies with the understanding that Temporary Special Assignment Pay should be utilized to the fullest extent possible, including backfilling of positions whose incumbents are Temporarily Promoted.

M. Bilingual Skills Pay

Effective the second full pay period following ratification by the Union and approval by the Board of Supervisors, all employees who are: 1) in a non-bilingual classification for which there is a bilingual analog; and 2) receiving the 5% bilingual differential as of the date of ratification by the Union, will be reclassified into the bilingual classification, if they have demonstrated proficiency, by being tested and certified as determined by the Human Resources. (This reclassification of employees may result in a change of assignment or be subject to a reallocation of caseloads.) The employees to be reclassified are listed in Attachment A.

The bilingual classifications are not intended for minor or incidental use of a second language but rather where the bilingual skills are used on a regular basis during the course of a workday to provide necessary County services, as determined within the sole discretion of the County. Employees in monolingual classes who have been certified bilingual may be eligible to receive a bilingual differential for temporary bilingual needs; e.g., to cover in the absence of an employee in a bilingual classification.

Upon change in assignment or classification such that the bilingual skills are no longer needed on a regular basis, the employee will be reclassified to a monolingual position, after due process as required by the law and the PMRs.

Prospectively, after the initial reclassification of current, eligible employees, the Department Head will assess bilingual needs and staffing levels when bilingual classifications become vacant.

Section V. Hours of Work

A. Normal Workday.

A normal workday for a classification shall consist of consecutive hours of work interrupted by an unpaid lunch break of not less than one-half (1/2) hour or more than one (1) hour toward the midpoint of the shift. Under normal conditions, the work schedule of all employees shall include a fifteen (15) minute rest period towards the midpoint of each half shift (one 15-minute break in the half shift before the lunch break and one 15-minute break in the half shift after the lunch break).

B. Normal Workweek.

The normal work week shall consist of five (5) consecutive days, Monday through Friday, inclusive.

For the purpose of overtime calculation, the normal workweek shall begin at 12:00 midnight on Sunday and end at 11:59 p.m. on the following Saturday.

The normal workweek and workday may not apply to employees with approved alternative work schedules.

C. Employees Assigned at a Given Time to Institutional Services.

1. An employee who applies for a promotional examination shall be given credit for time worked in contingent-hire status in a related position subject to confirmation of the Probation Department.
2. The County agrees with Union as to the desirability of maintaining an adequate staff for County's juvenile institutions, including the hiring of contingent-hire staff to maintain said institutions when necessary.
3. County and Union agree that it is desirable to fill vacant positions as soon as is practicable, consistent with good personnel practice and protecting the rights of all eligible candidates.
4. The County agrees to provide opportunities for Juvenile Corrections Officers to promote into the Deputy Probation Officer job series. To further this goal, the following steps will be taken:
 - a. The department will discuss with Human Resources the need to use departmental promotional exams to ensure sufficient advancement opportunities for Juvenile Corrections Officers. Departmental promotional exams will be offered on a case-by-case basis.
 - b. The department will provide, upon request:
 - i. Information to Juvenile Corrections Officers regarding knowledge, skills and abilities required for Deputy Probation Officer positions; and

- ii. Career development counseling and assistance for Juvenile Corrections Officers, which may include interviewing tips, writing classes, computer training and other assistance as agreed upon by the Labor/Management Committee.

D. Trainers.

If an employee is required to act as a trainer for other employees in the department, he or she will meet with his or her supervisor to discuss the impact of the training on workload and the potential for overtime. Trainer assignments may be based on current work assignment, current workload and/or future transfers.

Section VI. Fringe Benefits

A. Vacations.

Accrual Rates

Each regular employee shall be entitled to annual vacation credit on the basis of regular hours worked in continuous service in accordance with the following schedule. Regular part-time employees will accrue pro-rated vacation credits based upon the part-time FTE. Vacation credit shall be expressed and accrued at the hourly rates shown.

Months of Service	Hourly Standard Accrual	Max Days/Year
0 through 24 months	.0385	10
Greater than 24 months through 108 months	.0577	15
Greater than 108 months through 228 months	.0770	20
Greater than 228 months through 348 months	.0962	25
Greater than 348 months	.1154	30

1. The department head may authorize vacations up to the number of days/hours actually accrued after six (6) months' (1,040 hours') continuous employment. Any employee whose employment terminates after one thousand forty (1,040) hours of service shall be granted vacation pay on a prorated basis.
2. Vacation leave may not be taken without written request to the employee's supervisor or manager and notification from them that the request has been approved in advance of the vacation leave.

3. Employees shall be given their preference in vacation time within limits of a vacation schedule that shall be mutually agreed upon between the department head and the Union.
4. Employees' vacation requests shall be responded to by the department head within twenty-one (21) working days.
5. Unused Vacation Time.

Vacation shall be capped for all employees in the unit at 360 work hours. During a declared disaster and/or emergency, Teamsters and the County shall meet and confer (over impacts) within five (5) business days to discuss whether the accumulation cap should be temporarily suspended.

B. Holidays.

1. Regular Holidays

- a. Regular employees shall be entitled to the following holidays with pay: the first (1st) day of January, Martin Luther King, Jr.'s Birthday, the third (3rd) Monday in February, Cesar Chavez Day (March 31), the last Monday in May, Juneteenth (June 19), the fourth (4th) day of July, the first (1st) Monday in September; Veterans' Day, Thanksgiving Day, the Friday immediately following Thanksgiving Day, December 25, and every day appointed by the President of the United States or the Governor of the State of California for a public fast, thanksgiving or holiday and approved by the Board of Supervisors.
- b. When a holiday falls on a Saturday or Sunday, the Friday preceding a Saturday holiday or the Monday following a Sunday holiday shall be deemed to be a holiday in lieu of the day observed. For an employee who does not work a Monday-through-Friday schedule, the day immediately following the employee's two (2) days off shall be deemed to be a holiday in lieu of the day observed.
- c. To be eligible for the holiday pay, employees must be in paid status on both the day before and the day after the holiday.

2. Floating Holidays

- a. Three (3) workdays (up to 24 hours) per year shall be deemed floating holidays which may be taken at any time or times during the year after accrual with the approval of the department head, provided, however, that no more than two (2) working days' advance notice be required of the employee prior to the employee taking a floating holiday.
- b. Employees appointed prior to October 31 shall be credited with three (3) standard workdays (up to 24 hours) as floating holidays for that fiscal year. Employees appointed between November 1 and February 28 (29) shall be credited with two (2) standard workdays (up to 16 hours) as floating holidays for that fiscal year. Employees appointed between March 1 and May 31 shall be credited with one (1) standard workday (up to 8 hours) as a floating holiday for

that fiscal year. This pro-ration shall also apply to employees who have returned from an approved leave of absence where they were in leave without pay status.

- c. Floating holidays shall be taken in the fiscal year accrued and shall not accrue from one fiscal year to the next.
- d. Upon termination, unused floating holidays shall be paid at a straight-time rate so that the total of unused floating holidays to be paid off and floating holidays used by the employee shall not exceed the schedule of accrual in section VI(B)2(b) above.

3. Equal Holidays

Regardless of days worked or days off, each regular employee is entitled to the same number of paid holiday hours per year as would be earned by an employee covered by the holiday schedule in sections VI(B)1 and VI(B)2 above. This section is provided with the intent of assuring equitable treatment for all employees.

4. Work on a Holiday

All employees who work on a holiday, as described in Section VI B.1.a will receive overtime compensation at the rate of time and one half for every hour worked on the holiday. In addition, the employee shall receive compensation at the straight time rate of pay for either a 7.5 or 8 hour holiday, as determined by their job classification.

C. Insurance and Retirement Contributions.

The County provides a fringe benefits package described below. Unless expressly stated, all benefits listed in this article are prorated based upon the employee's regular hire FTE. Hours worked as a contingent hire (i.e., Extra Hire) employee, and/or hours worked in excess of a part-time regular hire FTE and/or overtime hours do not count toward the accrual of benefits.

Biweekly Fringe Benefits

Regular hire employees enrolled in a County medical plan receive bi-weekly fringe benefit payments in calendar year 2022 as follows:

	Employee Only	Employee +1 Dependent	Employee + Family
Bi-weekly Fringe Under 75k*	514.60	\$690.56	\$934.53
Bi-weekly Fringe Over \$75k*	514.60	\$677.66	\$908.74

*Annual salary threshold to determine the County's fringe benefit contributions shall be under/over \$77,000 for calendar year 2023, and under/over \$79,000 for 2024 and under/over \$85,000 for 2025.

Effective December 2022, in the pay period in which there will be an increase in health insurance premiums, the County will increase the bi-weekly fringe benefit package by the same dollar amount as the Kaiser Silver Plan increase, from zero to six percent (0-6%) based upon the Kaiser Silver plan for all benefited employees at the employee plus one (1) and employee plus family benefit levels.

Effective in December 2023 and December 2024, in the pay period in which there will be an increase in health insurance premiums, the County will increase the bi-weekly fringe benefit package by the same dollar amount as the Kaiser Silver Plan increase, from zero to five percent (0-5%) based upon the Kaiser Silver plan for all benefited employees at the employee plus one (1) and employee plus family benefit levels.

An employee who is enrolled in County health benefits and receives cash back of any remaining unused fringe, shall only receive up to a maximum of fifty (\$50) dollars per pay period, provided that they were hired before July 1, 2018, and they received cash back as of July 1, 2018.

Adjustment to County Fringe Contribution at the Employee-Only Enrollment Level in Plan Years 2023, 2024 and 2025: If the biweekly premium at the Kaiser Silver employee-only level in plan years 2023, 2024 and/or 2025 exceeds the County's biweekly fringe contribution at the employee-only level (i.e., \$514.60 biweekly), the County will increase its biweekly fringe contribution at the employee-only level to an amount equal to 100% of the biweekly premiums for employee-only enrollment in Kaiser Silver and mandated employee- only dental, vision and basic life insurance, for all represented employees who enroll in employee-only medical plans.

- a. The County shall apply the contribution toward the employee's health, dental, basic life, supplemental life, and long-term disability insurance programs in which the employee is enrolled.
- b. Regular, part-time employees who work at least half-time will receive a pro rata share of the County's biweekly contribution toward employee's insurance premiums.
- c. During open enrollment or within 30 days of a qualifying event, any employee covered by this Agreement may make written application to the Human Resources Director for waiver of required participation in a County medical plan if said employee provides acceptable proof of equivalent coverage in a group plan through other sources. An employee who waives participation under this section shall use the fringe-benefit package to pay for mandated benefits and may receive up to one hundred dollars (\$100) cash back per pay period.
- d. The County and the Union agree that the agreed-upon changes in medical, dental, life insurance, retirement, and supplemental benefits resolve any question of fair distribution of benefits between employees of different benefit levels and coverage and that this package represents a sound contribution to the fringe-benefit coverage of all County employees represented by the bargaining units party to this Agreement.

- e. Should the Congress or the state pass legislation enacting health-care reform, the County and the Union agree to meet and confer in regard to the provisions of this Agreement affecting medical benefits.
- f. Employees will be eligible to participate in an enhanced long-term disability program providing benefits of sixty-six percent (66%) of salary up to a monthly maximum of two thousand five hundred dollars (\$2,500) with the premiums to be paid by the employee.

In the 2022-2025 cycle of bargaining, the parties agreed to buy down this contribution from 4.5% to 3.0% using funds the County had allocated to equity.

b. County Contribution to Safety

Section VIII. Reduction in Force

Whereas, Personnel Management Regulation (PMR) 48 provides that the Board of Supervisors may abolish any position or employment in the interest of sound management,

Now, therefore, the County and Union agree to hereby adopt the following procedures to effect a layoff, reduction in force or reappointment.

A. Introduction.

The County and Union agree that the procedures to effect layoff, reduction in force and reappointment set forth herein establish the method of calculating seniority of employees who hold or have held status in classes covered by this Agreement. It is the intent of the parties that nothing in this Agreement shall be construed to exclude those employees outside the bargaining unit who have held status in classes as set forth in Section I(A), "Recognition," from exercising bumping rights into said classes nor to deny any rights and obligations conferred upon them by this Agreement establishing the reduction in force and reappointment procedures.

B. Order of Layoff.

1. Layoffs and/or reduction in force shall be made by classification under an appointing authority. A classification is defined as a position or number of positions having the same title, job description, and salary. Contingent-hire employees shall be laid off before probationary employees, and probationary employees shall be laid off before permanent employees in the affected classification. In effecting the preceding order, a part-time, permanent employee cannot displace a full-time, permanent employee. A full-time, permanent employee can displace a permanent, part-time employee. Employees in lower-level classes underfilling the affected classification will be laid off first.
2. If two (2) or more employees within a classification have achieved permanent status, such employees will be laid off or reduced on the following basis:
 - a. Seniority will be based on date of hire in the affected classification and will be determinative. Such seniority shall include time served in higher classification(s). The computation of seniority for part-time employees will be based on date of hire into the classification AND the full time equivalency (FTE). Time spent on leave of absence without pay beyond 12 consecutive weeks will not count toward seniority. Time spent as a contingent-hire, provisional, emergency, temporary, or special appointment employee will not count toward determining seniority.
 - b. If the seniority of two (2) or more employees in the affected classification is equal, departmental seniority shall be determinative. Department seniority is the total time (based on date of hire) employed in the department, regardless of classification.
 - c. If all of the above factors are equal, the date permanent status in County service is achieved shall be determinative.
 - d. If all of the above are equal, date of certification for appointment shall be determinative.
 - e. If the date of certification is equal, the date of application is determinative.
 - f. If the date of application is equal, then seniority will be determined by flipping a coin.
3. The break in service of an employee who is reinstated pursuant to Section VI shall be counted as County service.

Notwithstanding the foregoing, if the appointing authority determines that the public interest will not be served by application of the above criteria, the appointing authority may designate a more senior employee to be laid off upon a showing of a demonstrable superiority in performance and/or qualifications of the employee to be retained. If that determination is made, the laid off employee may appeal to the Personnel Commission seven (7) calendar days after written notice of lay off. The Commission will hold a hearing within twenty-one (21) calendar days after receipt of the appeal and make a decision within seven (7) calendar days thereafter, which is final.

C. Bumping.

An employee designated to be laid off may bump into the next lower classification within the same department in which such employee has previously held status. An employee who is bumped shall be laid off in the same manner as an employee whose position is abolished.

D. Transfer.

All effort will be made by the Human Resources Department to transfer any employee who is to be affected by a reduction in force to another vacant position for which such employee may qualify prior to the effective date of layoff. The length of eligibility for such transfer will be the period of notification as provided in Section VII but no longer than the effective date of such layoff or reduction in force. An employee who does not accept the transfer will be laid off.

E. Reemployment Following Reduction in Force.

1. Individuals who have been laid off or demoted in lieu of layoff shall be offered reappointment to the same classification in which they held status in the order of seniority in the classification. Individuals demoted in lieu of reduction in force shall be offered restoration to the highest class in which they held status and in which there is a vacancy prior to the reappointment of individuals who have been laid off.
2. Each person who has been laid off or demoted in lieu of a layoff from a position the person held, shall, in writing, be offered reappointment in the same classification in the same department should a vacancy occur in the classification within eighteen (18) months after the layoff or demotion.
3. Should the person not accept the reappointment within seven (7) calendar days after the date of the offer, or should the person decline or be unable to begin work within two weeks after the date of the acceptance of the offer, he/she shall be considered unavailable for employment, shall forfeit the right to reemployment and shall be removed from the reemployment list.
4. Whenever a person is unavailable for reemployment, the next senior person who is eligible on the department reemployment list shall be offered reemployment in the same manner and under the same conditions as in Section VIII(E)3.

5. Should there be no person on the department reemployment list eligible and available for reemployment, the position shall be filled by the countywide reemployment list for the same classification. The Human Resources Department shall certify up to five (5) of the remaining eligible persons in order of seniority in the classification from the countywide reemployment list for selection by the appointing authority. The countywide reemployment list shall consist of the names of all individuals laid off or demoted in order of seniority by classification irrespective of department.
6. Persons selected from the countywide reemployment list shall have their names removed from the department reemployment list for the classification in which they were reemployed. Should there be no person on the countywide reemployment list eligible and available for reemployment, vacancies shall be filled from an appropriate eligible list.
7. Employees reappointed under the provisions above will not be required to complete a new probationary period if they had previously held permanent status in the classification. Employees who had not completed their probationary period shall serve the remainder of the probationary period upon reappointment. .

F. Notice to Employees and Recognized Employee Organizations.

Regular employees designated for layoff or demotion and recognized employee organizations shall be notified in writing at least four (4) calendar weeks prior to the anticipated date of termination or demotion. The notice will inform employees of their bumping rights, if any. Bumping rights must be exercised within seven (7) calendar days of notice of layoff.

Section IX. Service Improvements

Union shall have the right, and is encouraged to utilize the right, of formulating and presenting proposals for improved work methods and changes in standards of public service. County agrees to make all statistical data which it routinely receives and assembles available to Union upon request. Such recommended changes shall first be discussed with the department head and County Administrator but may be presented to the Board of Supervisors subsequent to such discussion without the endorsement of the County Administrator.

A. Labor/Management Committee.

1. The Union and the County shall continue the joint Labor/Management Committee composed of up to six (6) members. The County shall appoint up to three (3) members, one of whom shall be from Human Resources or a designee. The Union shall appoint three (3) members one of who shall be the Teamsters Local 856 Field Representative. Employee representatives will be permitted release time in accordance with Section III of the collective bargaining agreement. Within ninety (90) days of ratification of this Agreement, the Union and County agree to convene a Labor/Management Committee meeting.
2. Committee Goals.

The Committee shall be jointly chaired by the Union and the County. The Committee's goal is to attempt to resolve issues during the term of the Agreement and to promote good employer-employee relations. The Committee shall discuss issues of mutual interest to the parties, including:

- a. Training and cross-training of employees to support career development.
- b. Workload for Deputy Probation Officer IV's

B. Joint Labor/Management Safety Committee.

The County and Union agree to continue the Joint Labor/Management Safety Committee consisting of three (3) Union representatives from the bargaining unit, one (1) Union staff, and four (4) management representatives. The Safety Committee shall discuss officer safety issues, including equipment, exclusive of weaponry, and fitness/wellness. The Committee shall make recommendations based on consensus, which shall be presented to the department head.

Section X. Rights Of Employees

No regular employee, other than a probationary employee, shall be discharged for incompetence or inefficiency unless said employee has been notified in writing at least forty-five (45) days prior to termination of the deficiencies in the employee's performance and provided a reasonable opportunity to correct them within said forty-five- (45) day period. An employee is entitled to only one (1) forty-five- (45) day notice during any twelve (12) consecutive month period. Section XI. Reemployment Clause

A regular employee who has passed his/her probation period and terminates County service under positive circumstances shall be eligible for reemployment without loss of certain benefits if reemployed within sixty (60) calendar days of termination. For the purposes of salary and seniority the employee will be treated as if he/she were on a leave of absence without pay. Seniority shall be restored for the purposes of merit increase eligibility, vacation accruals, and reduction in force only.

Section XII. Existing Policies and Procedures

A. Discrimination.

The parties to this Agreement agree that they shall not, in any manner, discriminate against any person whatsoever because of sex, race, color, ancestry, religious creed, national origin, physical or mental disability, medical condition, age, marital status, the taking of family and medical leave per the Family Medical Leave Act (FMLA) or pregnancy disability leave, sexual orientation, political or religious opinions or affiliations, gender or identity, or any other factor unrelated to job performance. In accordance with Section VII, this provision is not grievable.

All complaints of discrimination shall be addressed in accordance with the provisions of PMR 21.

No member, official, or representative of Teamsters Local 856 shall in any way suffer any type of discrimination in connection with continued employment, promotion or otherwise by virtue of membership in or representation of Teamsters Local 856.

Section XIII. Saving Clause

If any section or subsection of this Agreement should be held invalid by operation of law or by a tribunal of competent jurisdiction or if compliance with or enforcement of any section or subsection would be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby, and the parties shall, if possible, enter into collective bargaining negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such section or subsection.

Section XIV. Waiver Clause

The parties acknowledge that for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter pertaining to or covered by this Agreement, except as otherwise provided herein.

Section XV. Union Security

A. Dues Deduction

The parties agree that upon written consent of the employee involved or upon certification of the Union that it has and will maintain employee's written authorization for the deduction of Union membership dues and initiation fees, the County shall deduct the appropriate dues and initiation fees as established (and as may be changed from time to time) by the Union from the salaries of its members. The sums so withheld shall be remitted by the County, without delay, along with a list of employees who have had said dues deducted. Such dues deductions shall continue so long as the Union remains the exclusive representative of these bargaining units or unless discontinued or modified in accordance with the process outlined below.

B. Revocation

Employee requests to cancel or change such deductions must be directed to the Union. rather than to the County. The County will direct to the union any employee who desires to revoke their authorization for Union membership. Deductions will continue unless the employee mails a written revocation to the Union in accordance with the Teamsters membership card/authorization form, or, for employees whose membership card/authorization form does not provide terms of revocation, by mailing a written revocation to the Union that is postmarked during the 30-day period immediately prior to the annual anniversary of the date on which the employee signed an authorization form. It is understood that if an employee does not revoke their authorization for Union membership in accordance with the above, dues shall continue to be deducted from the employee's earnings.

C. Indemnification

The Union shall indemnify, hold harmless, and defend the County, its officers and employees against any and all claims, demands, suits or any other action, including but not limited to any civil or administrative action, and expense and liability of any kind, including but not limited to reasonable attorney's fees, legal costs, settlements, or judgments, arising from or related to the County's compliance with this section. The Union shall be responsible for the defense of any claim within this provision, subject to the following: (i) the County shall promptly give written notice of any claim, demand, suit or other action for which the County is seeking defense and/or indemnification to the Union, (ii) the County shall provide assistance reasonably requested for the defense of the claim; and (iii) the Union has the exclusive right to appoint and direct counsel, control the defense or settlement of the claim/action or proceeding and determine whether any such action or proceeding shall or shall not be tried and/or appealed; provided, however, that the County shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the County in any manner, including, but not limited to, paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the County, or agreeing to any injunctive relief or consent decree being entered against the County, without the consent of the County. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this section brought by the Union against the County. In no event shall the County be required to pay from its own funds Union dues or fees which the employee was obligated to pay, but failed to pay, regardless of the reason.

**SIDE LETTER AGREEMENT
PMR Revisions**

The County is updating its Personnel Management Regulations. The County agrees to meet and confer on any mandatory subjects of bargaining. While we will provide the Union with all of the proposed changes for the purposes of seeking input on the clarity of the document, the County does not consent to bargain non-mandatory subjects.

In the interest of facilitating expeditious MOU negotiations, the County is proposing that these PMR updates be negotiated/discussed in a separate process, focusing only on PMR's. The parties agree that appropriate release time will be provided to representatives to attend the consultation and meet and confer sessions.

SIDE LETTER AGREEMENT
Affordable Care Act

During the term of the agreement, the County may reopen the agreement to meet and confer over the excise tax scheduled to be imposed on health care premiums under the Federal Affordable Care Act. The purpose of the re-opener will be to include plans that would help employees avoid the excise tax, but it is not intended to eliminate the HMO option currently offered. The intent of the reopener is not to increase the County contribution to offset the excise tax for employees.

SIDE LETTER AGREEMENT

Re-opener on Administrative Technologies Of Marin (ATOM)

During the term of this agreement, the County may re-open the agreement to meet and confer on the decision and/or impacts of the modifications that are required in order for the County to implement a new Enterprise Resource Planning system. The County may also, during the re-opener, request to meet and confer over section VIII (B), paragraph 2, related to the computation of seniority.
