Section II: Existing Laws, Regulations, and Policies

This agreement is subject to all existing laws of the State of California and ordinances and regulations of the County of Marin. The County, the Association, and the employees affected thereby, unless otherwise specified herein, shall be entitled to all benefits conferred thereby and shall observe all obligations engendered thereby.

Section XI: Reinstatement Following Reduction in Force

The reduction in force and reappointment procedures between the County of Marin and Association are agreed to and established as follows:

A. Order of Layoff.

1. Layoffs and/or reduction in force shall be made by classification under an appointing authority. A classification is defined as a position or number of positions having the same title, job description, and salary. Extra hire employees shall be laid off before probationary employees and probationary employees shall be laid off before permanent employees in the affected classification. In effecting the preceding order, part-time permanent employees with more seniority can displace a full-time permanent employee. Employees in lower-level classes under filling the affected classification will be laid off first.
2. If two (2) or more employees within a classification have achieved permanent status, such employees will be laid off or reduced on the following basis:

- a) Seniority will be based on date of hire in the affected classification and will be determinative. Such seniority shall include time served in higher classification(s). The computation of seniority for part-time employees will be credited based on date of hire into the classification and full-time equivalency (FTE). Time spent on leave of absence without pay beyond 12 consecutive weeks will not count toward seniority.
 - b) If the seniority of two (2) or more employees in the affected classification or higher classification(s) is equal, departmental seniority shall be determinative.
 - c) If all of the above factors are equal, the date permanent status in County service is achieved shall be determinative.
 - d) If all of the above are equal, date of certification for appointment shall be determinative.
3. The break in service of an employee who is reinstated pursuant to Section G shall not be counted as County service.

B. Exceptions

Notwithstanding the foregoing, if the appointing authority determines that the public interest will not be served by application of the above criteria, the appointing authority may depart there from on the basis of a clearly demonstrable superiority in performance and/or qualifications. In such case, the appointing authority shall notify the employee to be laid off, in writing, specifying the basis for such determination in detail. The employee may have five (5) working days thereafter to appeal the determination to the Personnel Commission who shall hold a hearing within fifteen (15) days after receipt of the appeal and who shall thereafter make a decision within five (5) days and that decision shall be final.

C. Bumping

An employee designated to be laid off may bump into a class at the same salary level within the same department or into the next lower classification within the same department in which such employee has previously held status in such classification with the County. An employee who is bumped shall be laid off in the same manner as an employee whose position is abolished.

D. Transfer

All efforts will be made by the County Department of Human Resources to transfer any employee who is to be affected by the reduction in force to another vacant position for which such employee may qualify. The length of eligibility for such transfer will be the period of notification provided in Section F but no longer than the effective date of such layoff or reduction.

E. Re-employment Following Reduction in Force

1. Individuals who have been laid off or demoted shall be offered reappointment to the same classification in which they held status in the order of seniority in the classification. Individuals demoted in lieu of reduction in force shall be offered

- restoration to the highest classes in which they held status and in which there is a vacancy prior to the appointment of individuals who have been laid off.
2. Each person who has been laid off or demoted in lieu of a layoff from a position the person held shall, in writing, be offered reappointment in the same classification in the same department should a vacancy occur in the classification within two (2) years after the layoff or demotion.
 3. Should the person not accept the reappointment within seven (7) calendar days after the date of the offer, or should the person decline or be unable to begin work within two (2) weeks after the date of acceptance of the offer, the person shall be considered unavailable for employment, shall forfeit the right to re-employment, and be removed from the re-employment list.
 4. Whenever a person is unavailable for re-employment, the next senior person who is eligible on the department re-employment list shall be offered re-employment in the same manner and under the same conditions as in Section E, Subsection 1.
 5. Should there be no person on the department re-employment list eligible and available for re-employment, the position shall be filled by the countywide re-employment list for the same classification. The Department of Human Resources shall certify up to five (5) of the remaining eligible persons in order of seniority in the classification from the Countywide re-employment list for selection by the appointing authority. The Countywide re-employment list shall consist of the names of all individuals laid off or demoted in order of seniority by classification irrespective of department.
 6. Persons selected from the countywide re-employment list shall have their names removed from the department re-employment list for classification in which they were re-employed. Should there be no persons on the re-employment list eligible or available for re-employment, vacancies shall be filled from an appropriate eligibility list.
 7. Employees re-appointed to the same department under the provision above will not be required to complete a new probationary period if they had previously held permanent status in the classification. Employees re-appointed to a new department following a reduction in force shall be required to complete a new probationary period in the new department. Employees who have not completed their probationary period shall serve the remainder of the probationary period upon reappointment. Periodic increase dates shall be controlled by PMR 48 and any modifications thereto.
 8. Employees restored to previously held positions shall be deemed to have returned from a leave of absence for the purpose of all rights and benefits legally permissible.

F. Notice to Employees and Recognized Employee Organizations.

Regular employees designated for layoff or demotion shall be notified in writing at least four (4) calendar weeks prior to the anticipated date of termination or demotion. The Association shall also be so notified.

1. The illness or injury is, in fact, work related.
2. Time off work is warranted and certified by a medical practitioner.
3. The duration of time off work is warranted and certified by a medical practitioner.

If the work related disability continues beyond the one-year period, accumulated sick leave shall be applied to time off work in a proportionate amount which, when added to workers compensation benefits, will provide total compensation equal to the employee's regular wage or salary. Upon exhaustion of accumulated sick leave, accrued vacation time may be applied in the same manner. Compensation shall continue until the employee returns to work, all accruals are exhausted, or it is medically determined that there is a permanent disability that precludes return to regular duties, whichever comes first.

County and Association agree that the maintenance of the employee's physical health is a basic component of satisfactory work performance, that an ongoing program of medical examination and review of physical condition as it relates directly to performance of

assigned duties will be developed, and that the parties shall meet and confer on the implementation of this program during the term of this agreement.

E. Ordinances, Resolutions, and County Code.

Existing practices and/or benefits provided by ordinance or resolution of the Board of Supervisors, or as provided in the Marin County Code and which are referred to in the Agreement, shall be provided in accordance with the terms of the Agreement.

M. Retirement Enhancements

Effective July 7, 2002: 3% @ 55 retirement formula for current bargaining unit employees. The parties agree to utilize 7.28% as the present actuarial value of the increased cost for the 3% at 55 retirement enhancement. The parties further agree that eligible bargaining unit employees will share in that cost increase by contributing 50% of the 7.28% increase or 3.64%.

The parties are implementing this section in accordance with Section 31678.2 of the California Government Code. In accordance with this Section, members shall pay the 3.64% as part of the contribution by the employer that would have been required if Section 31664.2 (3% at 55 enabling legislation) had been in effect during the period of time for which this benefit is effective, i.e., going forward and backward.

This Agreement shall only be applicable to members who retire on or after the effective date of the resolution implementing this section of the Agreement, or July 7, 2002.

Effective July 3, 2005: 3% @ 50 retirement formula for current bargaining unit employees. The parties agree to utilize 5.2% as the actuarial value of the increased cost for the 3% at 50 retirement enhancement. The parties further agree that eligible bargaining unit employees will share in that cost increase by contributing 50% of the 5.2% increase or 2.6%. The parties are implementing this section in accordance with Section 31678.2 of the California Government Code. In accordance with this Section, members shall pay the 2.6% as part of the contribution by the employer that would have been required if Section 31664.1 (3% at 50 enabling legislation) had been in effect during the period of time for which this benefit is effective, i.e., going forward and backward.

This agreement shall only be applicable to members who retire on or after the effective date of the resolution implementing this section of the Agreement, or July 3, 2005.

N. Teamsters Local Union 856, Health and Welfare Trust

For the term of July 1, 2018 through June 30, 2021 Agreement, the County of Marin ("County") agrees to participate in the Teamsters Local Union No. 856 Health and Welfare Trust ("Teamsters Trust") for the sole purpose of offering to its employees the Teamsters Trust's Anthem Preferred Provider Organization plan ("Anthem PPO" or "Teamsters Plan"). The County's participation will be effective the plan year beginning January 1, 2019. All terms herein are conditioned upon the County and the Teamsters Trust entering into a contract no later than August 17, 2018, for participation in the Anthem PPO, which shall be accomplished through reasonable, good-faith negotiation.

Future Renewals

Upon the County's receipt of the renewals for its health plans for subsequent plan years (e.g., the Teamsters Trust Anthem PPO Plan ("Teamsters Plan"), Kaiser Permanente ("KP"), and Western Health Advantage ("WHA")¹, if the Teamsters Plan's required renewal premium rates exceed each of the competing carriers (e.g., KP and WHA) renewal rates by more than 15.0%, the Teamsters Plan will be automatically discontinued as an offering to all County of Marin participants as of January 1st of the immediately following calendar year. The calculation to determine the total cost of each plan will be:

(Employee only total enrollment x health plan employee only monthly rate) + (Employee+1 total enrollment x health plan employee + 1 monthly rate) + (Employee+family total enrollment x health plan employee + family monthly rate) = Plan cost

To eliminate enrollment (i.e., rate tier) differences, the same enrollment figures will be used for all Plans. The County's total combined enrollment in its health plans (e.g., Teamsters Plan, WHA and KP), excluding Medicare, will be used in calculating the aggregate rate difference for the Teamsters Plan compared to the competing plans (e.g., WHA and KP). To isolate the true sustainability aspect of the plans, the total premium rates will be used for this calculation.

¹ These plans are named for comparison purposes only. Should the County offer health plans that differ from the ones listed, the 15% figure will be based upon the rates of the health plans the County intends to offer. Naming of the plans is illustrative only of the current make-up of the County health plans and is not intended to be deemed as having been bargained.

CALCULATION: All of the County’s health plans will have their total combined enrollment multiplied by each health plan’s renewal rates. For Kaiser, the comparison will be to its highest cost plan (e.g., Plan L). If the Teamsters Plan renewal’s monthly premium is the highest by more than 15.0%, the County will discontinue offering the Teamsters PPO plan to County of Marin participants effective January 1st of the immediately following calendar year

ILLUSTRATIVE EXAMPLE OF THE CALCULATION:

Enrollment:

	Employee only	Employee + 1	Employee + family
Teamsters Plan	250	250	50
WHA	50	20	10
Kaiser (combined Plan L and Plan S, excluding Medicare retirees)	1200	500	500
Total Enrollment	1500	770	560

Illustrative Monthly Rates:

	Employee only	Employee + 1	Employee + family
Teamsters Plan	\$745	\$1490	\$2085
WHA	\$780	\$1560	\$2080
Kaiser (Plan L)	\$790	\$1580	\$2100

CALCULATION:

To calculate the comparative costs, multiply the above rates by the above total enrollment:

(Employee only total enrollment x health plan employee only monthly rate) + (Employee+1 total enrollment x health plan employee + 1 monthly rate) + (Employee+family total enrollment x health plan employee + family monthly rate)
= Plan cost

Teamsters PPO: \$3,432,400 (lowest cost of the 3, excluding the lower cost KP Plan, Plan S)
Western Health Advantage: \$3,536,000 (+3.0%)
Kaiser Permanente Plan L: \$3,577,600 (+4.2%)

ILLUSTRATIVE RESULT: Based on the above illustrative example, the Teamsters PPO plan is less than the most expensive plan (Kaiser Plan L) by approximately 4% and the County would not exercise its right to automatically cease participation in the Teamsters Plan.

2. Reasonable incentive differentials shall be maintained between each class in a series and reasonable relationships among related classes in different series.
3. Study of classification and interrelated problems is recognized as a continuous process in which Association will be consulted regularly. Changes will be effective July 1 of each year or earlier in the event of an emergency finding under PMR 40 and any modifications thereto.

Each party consents to, and waives any defenses against, an injunction action by the other party to restrain any violation of this section.

Section XXVIII: Waiver Clause

The parties acknowledge that for the life of this agreement each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter pertaining to or covered by this agreement, notwithstanding any other provisions of law to the contrary. Attachment A

Side Letter of Agreement

PMR Revisions

The County is updating its Personnel Management Regulations. The County agrees to meet and confer on any mandatory subjects of bargaining. While we will provide the Association with all of the proposed changes for the purposes of seeking input on the clarity of the document, the County does not consent to bargain non-mandatory subjects.

In the interest of facilitating expeditious MOU negotiations, the County is proposing that these PMR updates be negotiated/discussed in a separate process, focusing only on PMR's. The parties agree that appropriate release time will be provided to representatives to attend the consultation and meet and confer session

Attachment B

Side Letter of Agreement

ATOM Re-opener

During the terms of this agreement, the County may re-open the agreement to meet and confer on the decision and/or impacts of the modifications that are required in order for the County to implement a new Enterprise Resource Planning system.

Attachment C

Side Letter of Agreement

Affordable Care Act (ACA)

During the terms of this agreement, the County may reopen the agreement to meet and confer over the excise tax scheduled to be imposed on health care premiums under the Federal Affordable Care Act. The purpose of the re-opener will be to include plans that would help employees avoid the excise tax, but it is not intended to eliminate the HMO option currently offered. The intent of the re-opener is not to increase the County contribution to offset the excise tax for employees.

Attachment D

Side Letter of Agreement

Pilot Rental Assistance Program

The County agrees to allocate \$250,000 to an employee rental assistance program which all County employees may be eligible for. The parties agree to meet no later than September 30, 2018 to develop program parameters.

Attachment E

Side Letter of Agreement

Delta Dental Enhancement

Based on consensus among labor groups to participate in the Delta Dental plan enhancement, the County has agreed to cover the additional cost of the **Employee Only**-level premium increase, as well as **Employee + 1** and **Employee + Family** levels *for the benefit year 2023*. Specifically, the County is adding an additional \$.65 per pay period to all employee fringe benefit packages to cover the increased cost for 2023.

While the County negotiated with Delta a reduced impact on **Employee + 1** and **Employee + Family** billed rates so that employees would have no additional premium costs for 2023 (other than what the County is funding), the premium for Delta Dental PPO rates for subsequent plan years remains undetermined at this time.

Should we see an increase in the Delta Dental rates for benefit year 2024, the County will again meet with labor groups to discuss plan options and obtain consensus on whether to maintain the dental benefit enhancement. Consensus amongst labor groups will be required for the County to maintain (opt into) the Delta Dental plan enhancement in subsequent years. Without consensus amongst labor groups to maintain (opt into) the plan enhancement, the default will be to revert back to no plan enhancement for the County's Delta Dental benefit.
